Robotics Solution

- ✓ **Meal Delivery Robot**
- ✓ **Greeting Guidance Robot**
- ✓ **Disinfection Robot**
- ✓ **Multi-floor Delivery Robot**

Robotics

✓ **Meal Delivery Robot**

Delivery & Tour Guide Robot

- 30kg Payload
- Indoor Delivery Robot
- Cloud Management System
- Auto-queuing System
- Advertising Screen
- Precise Positioning
- Detachable Trays

✓ **Greeting Guidance Robot**

- Tour guide function
- Remote patrol function
- Slope climbing to 7°
- 14" touch screen
- Software customization
- Autonomous charging
- *Built in sim card system*
- *Support USB Type-C OTG*
- *Voice introduction upon arrival*
- *Night Vision capability*

Robotics

✓ **Disinfection Robot**

- Atomize disinfectant and disperse the atomized droplets to the required area through a high-speed airflow.
- Equipped with 2 x UV-C for disinfection purpose.
- Autonomous navigate to location
- Support avoid obstacles during navigation
- Supports tablet remote control
- Support WIFI

✓ **Multi-floor Delivery Robot**

- Delivers 2 orders simultaneously
- Automatic UVC Disinfection
- Autonomous elevator control & incorporation
- Supports multi floor map routing
- Supports QR Code Verification & Autonomous Charging
